

## **e- Web Publication**

**e-WebPublication** deals with automatic publication of any document (in \*.pdf format) on the district web site. Following are few assumptions about it. it is assumed that in any offices such, Collector office or Tahsil Office, the document upload will be at Desk level. Each Desk will have different kinds of documents to be uploaded.

Files to be uploaded can be classified in to Main head/ Sub head and Detailed Head. Creation of Main head and creation of Sub Head under existing Main head is handled by e-DISNIC Administrator. Creation of Detailed Heads under available Sub Head is handled by User himself through login to e-DISNIC. User has to specify number of Detailed Head needed under concerned Sub Head of Main Head.

Also there can be single document or multiple documents for each Detailed Head. The Frequency of upload of files may be Daily/ Weekly/ Monthly/ Yearly/ Occasionally. The File can be kept for ever or for limited period of time.
